\* Operation dates, hours (including night skiing) and contents may change due to weather, daylight hours, course conditions, competitions and events. The lifts and gondola operations and accompanying courses may be limited or cancelled as well.

**Non-compacted Zone** Ski on snow that hasn't been compacted (powder snow and bumps).  
 \* Snow-fall conditions may affect the size of the non-compacted zones. Snow may be compacted if there are large holiday crowds or the course condition appears to be dangerous.  
 \* Closed to beginners or skiers without proper equipment. \* Zone will be limited to advanced skiers only in bad weather or if the course conditions are rough. \* Ski with a partner(s).
