

Enjoy private Manza Onsen sake set plan

Indulge in a blissful moment in a private hot spring with a snowy landscape unfolding just outside your window, while sipping local sake from a floating bucket.

This is the kind of hot spring experience many Japanese people dream of but rarely get to experience.

At the 1,800-meter-high Manza Prince Hotel, you can live this dream.

The local sake is carefully selected by the hotel staff, and with a private hot spring bath, you can enjoy a soak without worrying about other guests.
