Dear Customers

Shizukuishi Prince Hotel

### NOTICE OF ONSEN BUSINESS

Depend on the thunder on Saturday, August 19, the onsen pump of “Shizukuishi Takakura Onsen” was broke. Therefore, instead of the original onsen, we provided the hot water during this period. However, the original onsen is now available for use from October 5. Sorry for any inconvenience during the period and thanks for your kind understanding.

Sincerely,  
General manager
