

**Prince Snow Resorts 2017–2018**

**Plans offering experiences that can only be enjoyed on snowy mountains.  
Riding a snowcat, visiting a snow ninja dojo and more  
are now available at all Prince Hotel Ski Resorts**

Prince Hotels, Inc. (Head Office: 3-1-5, Toshima-ku, Tokyo; President: Shigeyoshi Akasaka; “Prince Hotels” below) now offers plans for ski slopes operating in Japan that make special use of the snowy mountain environment to provide plus one experiences there other than skiing and snowboarding to foreigner visiting Japan.

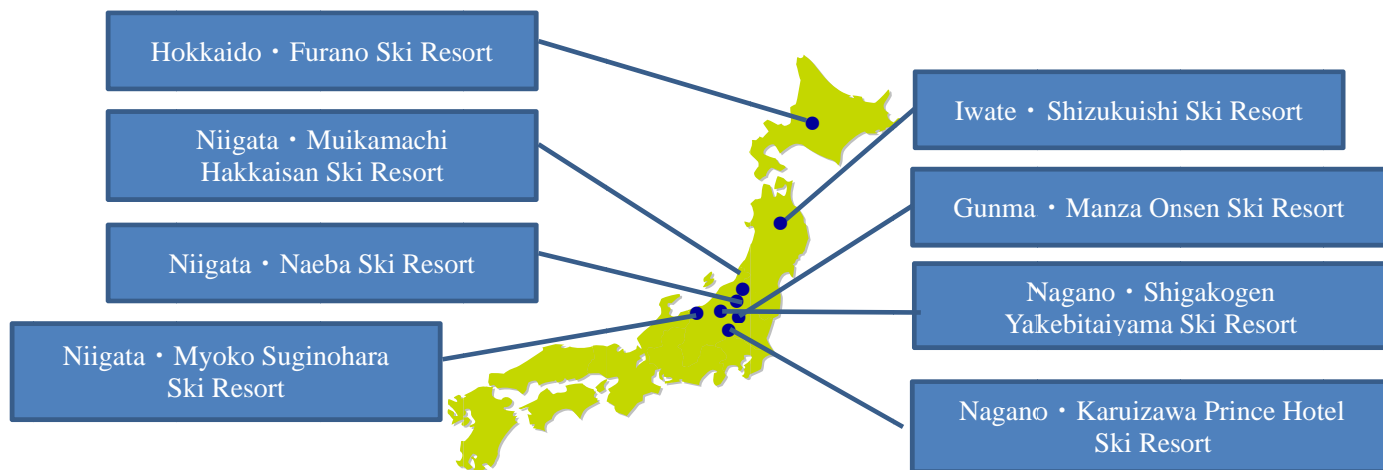

Under these plans, Prince Hotels have prepared various activities focusing on the characteristics of each ski slope. The activities include riding a snowcat, visiting a snow ninja dojo, going on a night tour to the mountaintop within a snow buggy, heading to the top of the mountain on a nighttime lift to gaze at the starry sky, and visiting a café made of snow.
